Dear Mr. Kanzaki:

Thank you for your letter requesting an extension to the public comment period for the proposed Eagle Mountain– Woodfibre Gas Pipeline Project (proposed Project). Please be advised that the Environmental Assessment Office (EAO) is extending the public comment period for the proposed Project from 45 days to 60 days. This extension is in consideration of the high level of public interest in the proposed Project. The public comment period will now close on March 27, 2015.

If you have any questions or comments, please contact me by telephone at 250-387-8745 or email [Michael.Shepard@gov.bc.ca](mailto:Michael.Shepard@gov.bc.ca). Alternatively you can contact Dan Motisca, Project Assessment Officer, by telephone 250-387-2206 or email [Dan.Motisca@gov.bc.ca](mailto:Dan.Motisca@gov.bc.ca).

Yours truly,

Mike Shepard  
Project Assessment Manager
