

Environmental Assessment of the Proposed Northeast British Columbia Expansion Project

Open House *and* Invitation to Comment

Plateau Pipe Line Ltd., a subsidiary of Pembina Pipeline Corporation (the Proponent), is proposing to construct and operate a transmission pipeline approximately 147 kilometres in length and 12 inches (323.9 mm) in diameter to transport condensate and natural gas liquids from northwest of Wonowon, BC, to an existing terminal near Taylor, BC (the proposed Project).

The proposed Project is subject to review under British Columbia's *Environmental Assessment Act*.

The Proponent has now submitted its application (the Application) to obtain an environmental assessment certificate which is required before any work can be undertaken on the proposed Project.

In order to provide information to the public about the Application, and to receive comments from the public, the Environmental Assessment Office of British Columbia (the EAO) invites the public to attend an **Open House** to be held:

at: **Pomeroy Hotel, Scotty Room**
11308 Alaska Road, Fort St. John, BC
on: **Thursday, February 25, 2016**
from: **4:30 p.m. to 8:00 p.m.**

There are 30 days for the submission of comments by the public in relation to the Application. This comment period will begin on February 10, 2016 and end on March 11, 2016. All comments received during this comment period will be considered.

The intention of seeking public comments is to ensure that all potential effects – environmental, economic, social, heritage and health – that might result from the proposed Project are identified for consideration as part of the assessment process.

NOTE: All submissions received by the EAO during the comment period in relation to the proposed Project are considered public and will be posted to the EAO website.

The EAO accepts public comments through the following ways:
