Dear Mr. Watson:

I am writing with respect to the Environmental Assessment (EA) of Bear River Gravel Project (Project). As stated in the letter sent to you dated May 19, 2016, the Environmental Assessment Office (EAO) considers the fact that you have not replied to previous correspondence as indication that you do not wish to proceed with the EA for the Project. As we did not hear from you by the June 18, 2016 deadline, the Project has been withdrawn from the EA process.

The EAO will post this letter on its electronic Project Information Centre website at [www.eao.gov.bc.ca](http://www.eao.gov.bc.ca). If you have any questions or require further information, please contact me by telephone at 250 387-9675 or by email at [Karen.L.Christie@gov.bc.ca](mailto:Karen.L.Christie@gov.bc.ca).

Yours truly,

Karen Christie  
Executive Project Director
