Dear Mr. Maier:

I write to advise you that pursuant to Section 18 of the *Environmental Assessment Act*, I have determined that the Pacific Trail Pipeline Project has been substantially started.

This determination means that the Environmental Assessment (EA) Certificate remains in effect for the life of the project, subject to the Minister's power to cancel and suspend an EA Certificate due to non-compliance.

If you have any comments or questions, please do not hesitate to contact Dan Motisca, Project Assessment Officer at 250-387-2206 or by email at Dan.Motisca@gov.bc.ca

Yours truly,

Kevin Jardine
Associate Deputy Minister
