

**IN THE MATTER OF THE ENVIRONMENTAL ASSESSMENT ACT S.B.C. 2002, c.43
(ACT)
AND
AN ENVIRONMENTAL ASSESSMENT OF THE
BINGAY MAIN COAL PROJECT (Bingay Project)**

ORDER UNDER SECTION 13 AMENDING SECTION 11 ORDER

WHEREAS:

- A. On November 30, 2012, under Section 10(1)(c) of the Act, the Project Assessment Manager issued an Order to Centermount Coal Ltd. (Centermount), designating the Bingay Project as a reviewable project, requiring an Environmental Assessment Certificate, and ordering that Centermount may not proceed with the Bingay Project without an Environmental Assessment Certificate.
- B. The Executive Director has delegated to the undersigned, powers and functions under the Act, including the power to issue Orders under Sections 11 and 13 of the Act.
- C. On February 26, 2013, the Project Assessment Manager issued an Order under Section 11 of the Act, determining the scope of the required Environmental Assessment (EA) and the procedures and methods for conducting the assessment.
- D. Schedule A of the Section 11 Order sets out the scope, procedures and methods for the EA of the proposed Bingay Project.
- E. On April 18, 2013, Centermount advised the Environmental Assessment Office (EAO) that the Bingay Project would be delayed.
- F. On October 21, 2016, Centermount submitted an updated Project Description to the EAO. The EAO accepted the updated Project Description on October 27, 2016, and has re-initiated the EA.
- G. The undersigned has considered this updated information and has determined that, to complete a more effective and timely assessment of the reviewable project consistent with EAO process, the Section 11 Order should be varied.

NOW THEREFORE:

Pursuant to Section 13 of the Act, I vary the Section 11 Order, dated February 26, 2013 as follows:

1. Schedule A of the Section 11 Order will be repealed and be replaced with the new Schedule A, as attached; and
2. Schedule B and Schedule C, as attached, will be added.

- 2.2** Exploration activities or activities required to prepare the Application are not part of the reviewable project for the purposes of the assessment.

PART C – SCOPE OF THE ASSESSMENT

3. SCOPE OF THE ASSESSMENT

- 3.1** Pursuant to section 11(2)(b) of the Act, the scope of the assessment for the Bingay Project will include consideration of:
- 3.1.1 potential adverse environmental, economic, social, heritage, and health effects of the Bingay Project, including Cumulative Effects, and practicable means to mitigate such potential adverse effects; and
 - 3.1.2 potential adverse effects of the Bingay Project on an Aboriginal Group's Aboriginal Interests, and, to the extent appropriate, ways to mitigate or otherwise accommodate such potential adverse effects.

PART D – THE WORKING GROUP AND AGENCY CONSULTATION

4. THE WORKING GROUP

- 4.1** The Environmental Assessment Office will establish a Working Group comprised of those Aboriginal Groups identified on Schedule B and government bodies identified by the Project Assessment Lead. The Working Group will provide input as requested by the Project Assessment Lead on aspects of the Environmental Assessment, including:
- 4.1.1 the information required for the Environmental Assessment;
 - 4.1.2 the conformity of the Application with the Application Information Requirements;
 - 4.1.3 the information and conclusions in the Application;
 - 4.1.4 potential mitigation measures, including those which may be included in certificate conditions;
 - 4.1.5 potential impacts on Aboriginal Interests and measures to avoid, address or mitigate such potential adverse effects; and
 - 4.1.6 the draft Assessment Report.
- 4.2** The Project Assessment Lead may form sub-committees of the Working Group to discuss specific issues in the Environmental Assessment.
- 4.3** When required by the Project Assessment Lead, Centermount must participate in meetings of the Working Group or any sub-committees.
- 4.4** Centermount must consult with federal, provincial and local government agencies through the Working Group, as required by the Project Assessment Lead.
- 4.5** Centermount must prepare and submit to the Project Assessment Lead and Working Group members, within any set time limits, responses to comments received from any Working Group members.

PART E – ASSESSMENT PROCEDURES – PRE-APPLICATION STAGE

5. VALUED COMPONENTS

- 5.1** Within a timeframe established by the Project Assessment Lead, Centermount must prepare a document that sets out the Valued Components it proposes to be considered in the preparation of the draft Application Information Requirements, having regard to the requirement to assess the potential of the Bingay Project to result in adverse environmental, economic, social, heritage, and health effects.

- 5.2 The Project Assessment Lead will review the draft Valued Components proposal and Centermount must amend the draft Valued Components proposal as requested by the Project Assessment Lead. This may include incorporation of any comments from the Working Group, Aboriginal Groups, and the public that the Project Assessment Lead determines are relevant.
- 5.3 The draft Valued Components and the methods for how the effects on Valued Components will be defined and assessed must be included in the draft Application Information Requirements prepared pursuant to section 6 of this Order.

6. APPLICATION INFORMATION REQUIREMENTS

- 6.1 In accordance with this Order and any additional guidance provided by the Project Assessment Lead, Centermount must prepare draft Application Information Requirements.
- 6.2 Centermount must submit the draft Application Information Requirements to the Project Assessment Lead, who will make it available to the Working Group for review and comment.
- 6.3 Centermount must respond to comments received from the Aboriginal Groups listed on Schedule B and Working Group members on the draft Application Information Requirements in the form specified by, and to the satisfaction of, the Project Assessment Lead.
- 6.4 Upon approval of the revised draft Application Information Requirements, the Project Assessment Lead will issue the final Application Information Requirements to Centermount.

7. PREPARING AND SUBMITTING THE APPLICATION

- 7.1 Centermount must prepare the Application in accordance with the Application Information Requirements, and must submit it to the Project Assessment Lead for evaluation and decision on whether to accept the Application for review.
- 7.2 Prior to submitting the Application to the Project Assessment Lead under section 7.1 of this Order, the Proponent must ensure that copies of the Application in the required formats have been delivered to the members of the Working Group and Aboriginal Groups listed on Schedule B, as specified by the Project Assessment Lead.

8. APPLICATION EVALUATION

- 8.1 The Project Assessment Lead will evaluate and decide whether the Application contains the information required in the Application Information Requirements.
- 8.2 If, in the opinion of the Project Assessment Lead, the Application does not include the information required by the Application Information Requirements, the Project Assessment Lead will identify the deficiencies in writing to

Centermount and Centermount may revise the Application to address the deficiencies and re-submit the revised Application.

- 8.3** If the Application is accepted for review, the Project Assessment Lead will advise Centermount, and Centermount must supply copies and quantities of the Application as determined by the Project Assessment Lead.

9. APPLYING FOR CONCURRENT PERMITTING

- 9.1** Centermount, if applying for concurrent review of one or more applications for approval under other enactments, pursuant to section 4 of the Concurrent Approval Regulation (B.C. Reg. 371/2002), must submit the request to the Project Assessment Lead in accordance with section 5(c) of the Concurrent Approval Regulation.

PART F – ASSESSMENT PROCEDURES – APPLICATION REVIEW STAGE

10. PREPARING THE ASSESSMENT REPORT

- 10.1** The Project Assessment Lead will prepare an Assessment Report, taking into consideration Centermount's Application and input provided by the Working Group, Aboriginal Groups and the public.
- 10.2** Members of the Working Group, Aboriginal Groups listed on Schedule B and Centermount will have an opportunity to provide to the Project Assessment Lead their comments on a draft of the Assessment Report within timelines established by the Project Assessment Lead.

11. MINISTERIAL REFERRAL AND DECISION

- 11.1** The Project Assessment Lead will advise Centermount, Aboriginal Groups listed on Schedule B and the Working Group of the date that the final Assessment Report is referred to the Ministers.
- 11.2** The Assessment Report will be made available to the public by the Environmental Assessment Office after a decision has been made by the Ministers under section 17(3)(c) of the Act.
- 11.3** In accordance with section 17(4) of the Act, the Project Assessment Lead will deliver to Centermount the decision of the Ministers and the Environmental Assessment Certificate, if granted. The Project Assessment Lead will inform Aboriginal Groups on Schedules B and C and the Working Group of the Ministers' decision.

PART G – CONSULTATION WITH ABORIGINAL GROUPS

12. CONSULTATION WITH ABORIGINAL GROUPS

- 12.1** Following the issuance of this Order, the Environmental Assessment Office will consult with the Aboriginal Groups listed on **Schedule B** as follows:
- 12.1.1 Provide notification at the following milestones:
 - 12.1.1.1 Issuance of any Orders from the Environmental Assessment Office including this section 13 Order;
 - 12.1.1.2 Public comment period for the draft Valued Component Document;
 - 12.1.1.3 Approval of the final Application Information Requirements document;
 - 12.1.1.4 When the Application has been accepted and the start of the review of the Application has commenced;
 - 12.1.1.5 Public comment period for the Application; and
 - 12.1.1.6 Decision on the Application.
 - 12.1.2 Invite such Aboriginal Groups to be members of the Working Group and to attend Working Group meetings or relevant Working Group subcommittee meetings;
 - 12.1.3 Ensure that such Aboriginal Groups have the opportunity to provide comments on the draft Valued Components and draft Application Information Requirements and will consider any such comments;
 - 12.1.4 Ensure that such Aboriginal Groups receive a copy of the Application and invite comments from Aboriginal Groups during the applicable legislated time period in regard to the conformity of the Application with the Application Information Requirements and the evaluation of Centermount's past and proposed Aboriginal Consultation activities;
 - 12.1.5 Provide such Aboriginal Groups the opportunity to submit comments on the Application;
 - 12.1.6 Determine the adequacy of Centermount's responses to the comments received from such Aboriginal Groups;
 - 12.1.7 At the request of any of these Aboriginal Groups, meet to discuss its Aboriginal Interests in relation to the Bingay Project and measures to avoid, mitigate, or otherwise address or accommodate potential adverse impacts on Aboriginal Interests, as appropriate;
 - 12.1.8 Provide such Aboriginal Groups with an opportunity to comment on the draft Assessment Report and the Environmental Assessment Office's consultation report within established timelines;

12.1.9 Provide the opportunity for Aboriginal Groups to provide to the Environmental Assessment Office a submission regarding their views on the Assessment Report should they disagree with the Environmental Assessment Office's conclusions. Any such submission must be provided within the timeline established by the Project Assessment Lead and will be included in the package of materials sent to Ministers when the Bingay Project is referred to Ministers for decision; and

12.1.10 Direct Centermount to conduct the following activities:

12.1.10.1 within specified timelines, provide to the Project Assessment Lead an Aboriginal Consultation Plan that will guide consultation activities with such Aboriginal Groups during the Pre-Application and Application Review Stages of the assessment. Prior to submitting the Aboriginal Consultation Plan to the Project Assessment Lead, Centermount must provide the draft Plan to the Aboriginal Groups listed on Schedule B and must advise the Project Assessment Lead how such groups were consulted and what feedback was provided when submitting the Aboriginal Consultation Plan to the Project Assessment Lead. The Project Assessment Lead will assess the Aboriginal Consultation Plan and determine whether the proposed activities are adequate. The Project Assessment Lead may order additional consultation activities within prescribed time limits;

12.1.10.2 in the Application, identify potentially affected Aboriginal Interests raised by such Aboriginal Groups and identify measures to avoid or mitigate such potential adverse effects and/or to otherwise address or accommodate the concerns of such Aboriginal Groups, as appropriate;

12.1.10.3 as directed by the Project Assessment Lead, provide a response to comments received from such Aboriginal Groups, to the satisfaction of and within the timeframe specified by the Project Assessment Lead; and

12.1.10.4 implement additional measures for consultation and accommodation of such Aboriginal Groups and revise the Aboriginal Consultation Plan, where required by the Project Assessment Lead.

12.2 Following the issuance of this Order, Aboriginal Groups on **Schedule C** will be consulted as follows:

12.2.1 The Environmental Assessment Office will provide notification at the following milestones, so that such Aboriginal Groups can be informed of the progress of the Environmental Assessment and have the opportunity to raise any issues to the Environmental Assessment Office for discussion:

12.2.1.1 Issuance of any Orders from the Environmental Assessment Office including this section 13 Order;

12.2.1.2 Public comment period for the draft Valued Component Document;

- 12.2.1.3 Approval of the final Application Information Requirements document;
- 12.2.1.4 When the Application has been accepted and the start of the review of the Application has commenced;
- 12.2.1.5 Public comment period for the Application; and
- 12.2.1.6 Decision on the Application.

12.3 The Project Assessment Lead may at any time, notify Centermount that one or more Aboriginal Groups are to be added to Schedule B or C of this Order, and in doing so may identify any modifications to any of the procedures and obligations contained in this Order, having regard to the status of existing procedures and obligations at the time the additions are made.

12.4 The Project Assessment Lead may direct Centermount to conduct the following activities:

- 12.4.1 provide a response to comments received from any Aboriginal Group, to the satisfaction of and within the timeframe specified by the Project Assessment Lead; and
- 12.4.2 implement additional measures for consultation and accommodation of any Aboriginal Groups.

13. PROPONENT REPORTING

13.1 Centermount must provide the Project Assessment Lead with Aboriginal Consultation Reports, consistent with the approved Aboriginal Consultation Plan, at the following times:

- 13.1.1 60 days after the deadline for Working Group comments on the Application Information Requirements, at the time of submission of the Application for evaluation as described in section 7.1 of this Order, and following the public comment period on the Application within a timeline specified by the Project Assessment Lead; and
- 13.1.2 at any other time specified by the Project Assessment Lead.

13.2 Centermount must submit their Aboriginal Consultation Reports to the Aboriginal Groups listed on Schedule B for review and comment prior to submitting the reports to the Project Assessment Lead and must advise the Project Assessment Lead how such groups were consulted and what feedback was provided when submitting the Aboriginal Consultation Report to the Project Assessment Lead.

13.3 Aboriginal Consultation Reports must:

- 13.3.1 summarize the efforts undertaken by Centermount to consult with Aboriginal Groups on Schedule B in accordance with the approved Aboriginal Consultation Plan, and also summarize the efforts undertaken by

Centermount to consult with any other Aboriginal Groups, if directed to do so by the Project Assessment Lead pursuant to section 12.4 of this Order;

- 13.3.2 identify the feedback and information received during consultation;
- 13.3.3 identify the potential adverse impacts of the Bingay Project on Aboriginal Interests;
- 13.3.4 identify how the potential adverse impacts of the Bingay Project on Aboriginal Interests will be avoided, mitigated, addressed or otherwise accommodated, as appropriate; and
- 13.3.5 outline next steps or future consultation activities, other than those outlined in the approved Aboriginal Consultation Plan.

PART H – PUBLIC CONSULTATION

14. PRE-APPLICATION STAGE

- 14.1** Centermount must, within timelines established by the Project Assessment Lead, provide the Project Assessment Lead with a Public Consultation Plan.
- 14.2** The Project Assessment Lead will assess Centermount's Public Consultation Plan and determine if the proposed activities are adequate. The Project Assessment Lead may order that additional consultation activities be undertaken within time limits set by the Project Assessment Lead.
- 14.3** During the Pre-Application Stage of the assessment, the Project Assessment Lead will provide a public comment period of at least 30 days on the draft Valued Components Document referred to in section 5 of this Order.
- 14.4** The Project Assessment Lead may require an open house(s) to provide the public with an opportunity to review the draft Valued Components Document.
- 14.5** On the direction of the Project Assessment Lead, Centermount may be required to attend one or more of these open houses.
- 14.6** Centermount must make the draft Valued Components Document available at accessible public locations as specified by the Project Assessment Lead, and the Project Assessment Lead will make the draft Valued Components Document available on the Electronic Project Information Centre.
- 14.7** During a public comment period, the public may comment on the draft Valued Components Document by providing comments through the Environmental Assessment Office's website.
- 14.8** Centermount must respond to public comments received pursuant to section 14.7 of this Order, unless the Project Assessment Lead informs Centermount that a comment:
 - (a) is not within the scope of the assessment, or

(b) contravenes the Environmental Assessment Office's Public Comment Policy.

- 14.9** All public comments, received pursuant to section 14.7 of this Order, will be posted to the Electronic Project Information Centre within seven days of being received, unless a comment falls within the conditions referred to in section 14.8(a) or 14.8(b) of this Order.

15. APPLICATION REVIEW STAGE

- 15.1** During the Application Review Stage, the Project Assessment Lead will provide for a public comment period of at least 30 days on the Application.
- 15.2** The Project Assessment Lead may require an open house(s) to provide the public with an opportunity to review the Application. At the direction of the Project Assessment Lead, Centermount may be required to attend one or more open houses.
- 15.3** Centermount must make the Application available at accessible public locations as specified by the Project Assessment Lead, and the Project Assessment Lead will make the Application available on the Electronic Project Information Centre.
- 15.4** During a public comment period, the public may comment on the Application by providing comments through the Electronic Project Information Centre.
- 15.5** Centermount must respond to public comments received pursuant to section 15.4 of this Order, unless the Project Assessment Lead informs Centermount that a comment:
- (a) is not within the scope of the assessment, or
 - (b) contravenes Environmental Assessment Office's Public Consultation Policy.
- 15.6** All public comments, received pursuant to section 15.4 of this Order, will be posted to the Electronic Project Information Centre within seven days of being received, unless a comment falls within the conditions referred to in section 15.5(a) or 15.5(b) of this Order.

16. PROPONENT REPORTING

- 16.1** Centermount must provide the Project Assessment Lead with Public Consultation Reports, at the following times:
- 16.1.1 60 days after the close of the public comment period on the draft Valued Components Document, at the time of submission of the Application for evaluation as described in section 7.1 of this Order, and following the public comment period on the Application within a timeline specified by the Project Assessment Lead; and
 - 16.1.2 any other time specified by the Project Assessment Lead.
- 16.2** The Public Consultation Reports must include:

- 16.2.1 a description of the results of the activities outlined in the Public Consultation Plan;
 - 16.2.2 a summary of: consultations with the public that Centermount has already carried out in relation to the Bingay Project; information, comments, concerns, and questions received from the public within the scope of the environmental assessment, and; how the concerns were addressed; and
 - 16.2.3 proposed next steps for public consultation activities.
- 16.3** Centermount may be required to undertake additional public consultation activities as required and within a time limit set by the Project Assessment Lead.

17. PUBLIC NOTIFICATION OF PUBLIC COMMENT PERIODS

- 17.1** Prior to the start of any formal public comment period, Centermount, by means acceptable to the Project Assessment Lead, must provide public notice of:
- 17.1.1 the availability of the draft Valued Components Document or Application for public review and comment and the time limits for the formal public comment period provided for in this Order; and
 - 17.1.2 the date, time and location of any open houses held.
- 17.2** Centermount must obtain approval from the Project Assessment Lead for the content, format and publication schedule for newspaper advertisements required under section 17.1 of this Order.
- 17.3** When one or more notices of an event are to be given, then, in accordance with section 5 of the Public Consultation Policy Regulation (B.C. Reg. 373/02), the first notice must appear:
- 17.3.1 in the case of a formal public comment period, at least seven days prior to the date on which the formal public comment period commences; or
 - 17.3.2 in the case of an open house, at least seven days prior to the date on which an open house is scheduled.
- 17.4** Information and records listed in section 6 of the Public Consultation Policy Regulation (B.C. Reg. 373/02) that pertain to the assessment of the Bingay Project will be made available to the public through the electronic Project Information Centre.

PART I – PROVIDING ADDITIONAL INFORMATION

18. ADDITIONAL INFORMATION

- 18.1** Without limiting any of the requirements in this Order, Centermount must, at the request of the Project Assessment Lead, provide the Project Assessment Lead with any information or address any issues that the Project Assessment Lead

considers necessary in order to complete the Environmental Assessment of the Bingay Project.
