Dear Ms. Carpenter:

I am pleased to provide you with a signed original of Amendment #5 (Ksi Mat'in River Crossing) to the Environmental Assessment Certificate #E14-06 (EAC) for the Prince Rupert Gas Transmission Project. The Amendment Certificate was signed by Scott Bailey, Assistant Deputy Minister of the Environmental Assessment Office (EAO), on June 6, 2017.

The EAO requires that Prince Rupert Gas Transmission Ltd. update any relevant management plans to reflect inclusion of Amendment #5 in the Certified Project Description, including those specified in Schedule B of the EAC.

Yours truly,

Lindsay Luke
Project Assessment Manager
