Solar Alliance Energy Incorporated
Suite 210 – 128 West Hastings Street
Vancouver BC V6B 1G8
MClark@solaralliance.com

Dear Mr. Clark:

Thank you for your letter of June 5, 2017, responding to the Environmental Assessment Office's (EAO) letter of March 2, 2016 in which the EAO asked whether Solar Alliance Energy Incorporated (Solar) intends to proceed with the Environmental Assessment (EA) of the Wildmare Wind Energy Project (Wildmare). I appreciate your update and understand that Solar wishes to withdraw Wildmare from the EA process.

If you later decide to pursue Wildmare again, you will be required to start the process over with the submission of a new Project Description and associated fees. In that case, the EAO will work with you to determine what work, already completed under the withdrawn EA, is still relevant and could be carried over to the new EA.

The EAO will post this letter and update Wildmare's status at www.eao.gov.bc.ca. If you have any questions or require further information, please contact me by telephone at 250 387-6758 or by email at Heather.Noble@gov.bc.ca.

Yours truly,

A handwritten signature in blue ink that reads "H. Noble".

Heather Noble
Project Assessment Manager
