Dear Mr. Dressler:

I am pleased to provide you with a signed copy of Amendment #2 (Greenhills Operations North Waste Spoil) to the Environmental Assessment Certificate (Certificate) #M15-02 for the Fording River Operations Swift Project. The Amendment Certificate was signed by Scott Bailey, Assistant Deputy Minister of the Environmental Assessment Office, on August 24, 2017.

The EAO requires that Teck Coal Limited update any relevant management plans to reflect inclusion of Amendment #2 in the Certified Project Description, including those specified in Schedule B of the Certificate.

If you have any questions or concerns, please contact me at 250 371-3710 or Terry.Pratt@gov.bc.ca, or Anna Bowes, Project Assessment Officer, at 250 387-8745 or Anna.Bowes@gov.bc.ca.

Yours truly

Terry Pratt
Project Assessment Manager
