Burnco Aggregate Project

ENVIRONMENTAL ASSESSMENT Certificate # M18-02

Whereas:

- A. The Proponent proposes to construct, operate and decommission the Project described in Schedule A to this Certificate (the "Project");
- B. On January 18, 2010, a Project Lead of the Environmental Assessment Office issued an Order under Section 10(1)(c) of the Act stating that an Environmental Assessment Certificate was required for the Project and that the Proponent could not proceed with the Project in the absence of an assessment;
- C. The assessment of the Application was conducted from August 4, 2016, to February 6, 2018, and included consultations with Aboriginal groups and the public respecting the Application;
- D. On January 31, 2018, the Proponent and the Squamish First Nation reached an agreement with respect to the "Squamish Nation Environmental Management Plans" identified in the "Squamish Nation Environmental Management Plan Table of Concordance" attached as Schedule C to this Certificate;
- E. Compliance with this Certificate, including its conditions, will be monitored by the staff of the Environmental Assessment Office, partner agencies and others who have been authorized to inspect under the Act;

- F. On February 6, 2018, pursuant to Section 17 of the Act, the Executive Director referred the Application, the assessment report dated February 6, 2018, and his recommendations to the undersigned dated February 6, 2018; and
- G. The undersigned have considered the Application, the Summary Assessment Report, the Assessment Report, the proposed Environmental Assessment Certificate Conditions, submissions from Squamish Nation and Tsleil-Waututh Nation and the recommendations of the Executive Director.

Now Therefore,

We issue this Environmental Assessment Certificate to the Proponent for the Project as described in the Certified Project Description (Schedule A), subject to the conditions set out in the Table of Conditions (Schedule B).
