**ENVIRONMENTAL ASSESSMENT CERTIFICATE # T24-01**

**Whereas:**

- A. Tilbury Jetty GP Inc. proposes to construct and operate the Tilbury Marine Jetty Project described in Schedule A to this Certificate (the "Project").
- B. On May 6, 2015, a Project Lead of the Environmental Assessment Office issued an Order under Section 10(1)(c) of the Act (2002) stating that an Environmental Assessment Certificate was required for the Project and that the Project could not proceed in the absence of an assessment.
- C. On July 24, 2015, a Project Lead of the Environmental Assessment Office issued an Order under Section 11 of the Act (2002).
- D. The assessment of the Application was conducted from March 20, 2019 to October 11, 2022, and included consultations with Indigenous Groups and the public respecting the Application.
- E. On December 16, 2019, the *Environmental Assessment Act* S.B.C 2018, c. 51 the Act (2018) was brought into force.
- F. Compliance with this Certificate, including its conditions, will be monitored by the staff of the Environmental Assessment Office, partner agencies and others who have been authorized to inspect under the Act (2018).

G. On October 11, 2022, pursuant to Section 17 of the Act (2002), the Chief Executive Assessment Officer referred the Application, the assessment report dated October 7, 2022 and their recommendations to the undersigned dated October 11, 2022.

H. The undersigned have considered the Application, the summary assessment report, the assessment report and recommendations of the Chief Executive Assessment Officer.

**Now Therefore,**

We issue this Environmental Assessment Certificate to Tilbury Jetty GP Inc. (the "Holder") for the Project as described in the Certified Project Description (Schedule A), subject to the conditions set out in the Table of Conditions (Schedule B).

**Duration of Certificate**
