**Re: Prince Rupert Gas Transmission Project (Project)  
Environmental Assessment Certificate (EAC) #E14-06  
Compliance Reporting Condition 2**

Prince Rupert Gas Transmission Ltd. (PRGT) hereby notifies the BC Environmental Assessment Office (EAO) of the start of construction of the Prince Rupert Gas Transmission Project (Project).

Construction of the Project is scheduled to commence on August 24, 2024, subject to the successful closing of the sale of PRGT entities to Western NLG and Nisga'a Lisims Government (NLG). Construction activities will be initiated within Nisga'a Lands. The NLG has been notified, and a Notice of Construction Start shall also be provided to the BC Energy Regulator (BCER) in alignment with the requirements of the BC Pipeline Regulation for BCER Pipeline Permit Section 5B.

PRGT is providing this notice to EAO as required by EAC #E14-06 Condition 2:

*The Holder must notify EAO Compliance and Enforcement staff in writing three months prior to commencing the construction, operations, and decommissioning and abandonment phases of the Project.*
