Dear Mr. McAllister,

RE: Warning for Non-Compliance with Condition 14, Amendment 3 of Environmental Assessment Certificate # E15-02

On June 18, 2024, Compliance and Enforcement Officer, Sarah Ellis conducted an administrative inspection (Inspection), of the Woodfibre LNG Project (Project) against the requirements of the Environmental Assessment Certificate #E15-02 (Certificate). Based on information obtained during the Inspection, it was determined that the Certificate Holder, Woodfibre LNG General Partner Inc. (the Holder) is not compliant with Condition 14, Amendment 3 of the Certificate.

Condition 14, Amendment 3 requires the Holder to establish a committee to engage the District of Squamish (DOS) and its community organizations, no less than once per quarter, and consult with parties identified in this condition, with participation from FortisBC, on issues that impact workforce housing, safety and community services.

The inspection findings are documented in Inspection Record Project WOOLNG_20240035_IR001.

The Holder is hereby **WARNED** that the Project is not compliant with Condition 14, Amendment 3 of the Certificate. The maximum penalty for failure to comply with an Environmental Assessment Certificate is \$1 000 000 and, on each subsequent conviction, fine of not more than \$2 000 000.

The Environmental Assessment Office Compliance and Enforcement Branch will continue to
