Dear Laura Letourneau and Anthony Cameron Brady:

I am writing regarding your application dated September 5, 2025, to transfer Environmental Assessment Certificate #E06-01 from KM LNG Operating General Partnership to Bish LNG GP Ltd., on behalf of Bish LNG Limited Partnership, for the Kitimat Liquified Natural Gas Terminal Project (Kitimat LNG) under Section 33 of the *Environmental Assessment Act*, 2018 (the Act). The Deputy Chief Executive Assessment Office (CEAO) of the Environmental Assessment Office (EAO) has agreed to transfer Environmental Assessment Certificate #E06-01 to Bish LNG GP Ltd., as per Section 33(1) of the Act.

The Deputy CEAO considered the transfer application dated September 5, 2025, the EAO's and KM LNG Operating General Partnership/Bish LNG GP Ltd.'s engagement efforts with First Nations, and the EAO's Review of an Application for a Certificate Transfer (EAO's Report). The Deputy CEAO agreed with the conclusions reached in the EAO's Report.

The Transfer Order dated December 1, 2025, is attached, and additional information on the decision including the EAO's Assessment Report are posted on the EAO's [Project Information Centre \(EPIC\) website](#).

For any questions or concerns, please feel free to contact me at 778 698-9185 or Tanner.MayPoole@gov.bc.ca.

Sincerely,
