

IN THE MATTER OF THE
ENVIRONMENTAL ASSESSMENT ACT
S.B.C. 2018, C. 51
(THE ACT)

AND

IN THE MATTER OF AN
APPLICATION
FOR AN
ENVIRONMENTAL ASSESSMENT CERTIFICATE
(APPLICATION)

BY

FORTISBC ENERGY INC.
FORTISBC HOLDINGS INC.

FOR THE
TILBURY PHASE 2 LNG EXPANSION PROJECT
(TILBURY PHASE 2)

ENVIRONMENTAL ASSESSMENT CERTIFICATE # E26-01
(CERTIFICATE)

WHEREAS:

- A. FortisBC Energy Inc. and FortisBC Holdings Inc. propose to construct, operate and decommission Tilbury Phase 2 as described in Schedule A to this Certificate (the Project).
- B. On January 12, 2022, the Chief Executive Assessment Officer of the Environmental Assessment Office published a notice of decision under Section 18 of the Act stating that the Project would be considered under Section 19 of the Act.
- C. On March 27, 2026, the Revised Application was accepted under Section 27(4) of the Act.
- D. Compliance with this Certificate, including its conditions, will be monitored by the staff of the Environmental Assessment Office and others who have been authorized to inspect under the Act.
- E. On August 27, 2026, pursuant to Section 29(1) of the Act, the Chief Executive Assessment Officer referred the Revised Application, the Assessment Report dated August 27, 2026, the Chief Executive Assessment Officer's recommendations, and notifications received from participating Indigenous nations of their consent or lack of consent to the issuing of a certificate for the Project to the undersigned.
- F. The undersigned have considered the information identified in clause E.

NOW THEREFORE,

We issue this Environmental Assessment Certificate to FortisBC Holdings Inc. and FortisBC Energy Inc. for the Project as described in the Certified Project Description (Schedule A), subject to the conditions set out in the Table of Conditions (Schedule B).

DURATION OF CERTIFICATE

For the purpose of Section 31(1) of the Act, the deadline is ten years from the date set out below.

Honourable Tamara Davidson
Minister of Environment and Parks

Honourable Adrian Dix
Minister of Energy and Climate Solutions

Issued this 21st day of September, 2026.
